

NORTH DAKOTA CROP IMPROVEMENT AND SEED ASSOCIATION

Plant Variety Protection Acknowledgement

Producer Name: _____

Address: _____

City: _____

State: _____ Zip Code: _____

Phone Number: _____

The producer hereby acknowledges the seed described on this form is Plant Variety Protected and is owned by North Dakota State University Research Foundation and is licensed to the North Dakota Crop Improvement and Seed Association.

The producer agrees to use the seed solely for planting purposes for commercial grain, forage production, or for seed production for use on the producer's land or land directly under their control.

The producer understands that sale or trade of this seed or progeny thereof to another person for planting purposes is prohibited.

The producer agrees to accept the responsibilities as applicable to the provisions of the U. S, Plant Variety Protection Act as amended (PVP-94) and conditions of sale under which they purchased the variety (ties) listed below.
